## Versatile Structure and Protection.

Milliken Tegriss® thermoplastic composites deliver lightweight, superior impact resistance. This sleek material is compressed into layered constructions to add stiffness and protection to countless applications in military or police gear.

- ▼ **Lightweight construction without sacrificing protection**
- ▼ **Water and chemical resistance helps protect in many conditions**
- ▼ **Cold-temperature impact resistance that outperforms most thermoplastics and composites**
- ▼ **Engineered for applications that need high stiffness**
- ▼ **Fully recyclable material**
- ▼ **Unique aesthetic in various thicknesses depending on desired performance**

Tegriss is a **Self-Reinforced Polypropylene (SRPP)** construction

## Military-Grade Durability.

As a partner to the U.S. Military since WWII, Milliken has a long-standing legacy of protecting warfighters and those on the front lines with state-of-the-art materials and technologies. Trusted today in military and police protective vests, plate carriers, backpacks and armored vehicles, Tegriss composites withstand the most dangerous missions.
