TRACEABILITY BY TATONKA – TRANSPARENZ SCHAFFT VERTRAUEN

Wir sind überzeugt davon, dass Transparenz zu unserer sozialen Verantwortung gehört. Deshalb legen wir sämtliche Stufen des Herstellungs- und Transportprozesses unserer Produkte offen.

Auf unserer **Traceability-Website** besteht die Möglichkeit, anhand der Serien-/ Chargennummer den Weg jedes Tatonka-Produkts vom Einkauf der Materialien über die Fertigung bis zum Versand ins Bestimmungsland nachzuvollziehen. Wir zeigen, von welchen Lieferanten die Materialien stammen, wo das Produkt genäht wurde und welche Transportwege und Transportarten genutzt wurden, bis das fertige Produkt seinen Zielort erreicht hat.

Aufgrund unserer eigenen Fertigung stehen uns sämtliche Informationen rund um den Fertigungsprozess zur Verfügung. Wir erheben und verwalten alle Daten selbst und nutzen diese, um die **Lieferkette für jedes Tatonka-Produkt** anschaulich sichtbar zu machen.
