HOW WE DISTRIBUTE:

We have complementary products which we can sell to all our customers. One visit = one complementary sale.

OUR TRADE TOOLS ARE AT YOUR DISPOSAL:

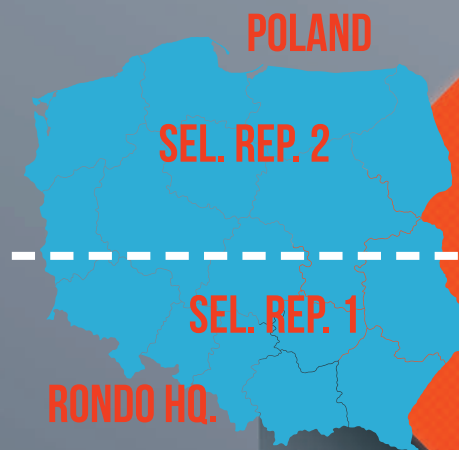

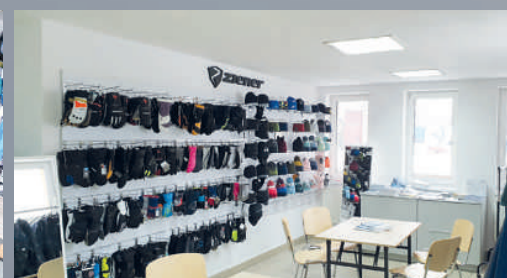

WAREHOUSE:

We sell together in preorder and reorder strategy based on our warehouse possibilities supported with full IT orders system and e-commerce integration program.

SHOWROOM:

We offer **250 m²** showroom fully equipped with all tools necessary to work with customers in model of preorder, reorder and contracted sale.

LOCAL MARKETING/SALE TOOLS:

MARKETING: we have implemented/invested in local marketing strategy such as:

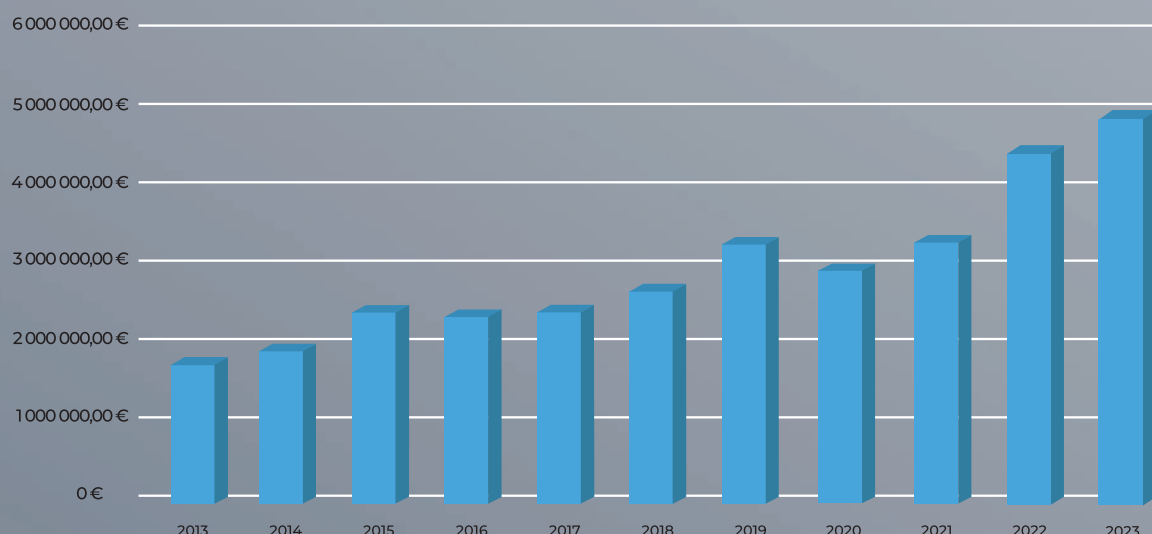

- polish official website of our distributed brands,
- polish catalogues with all descriptions and tools dedicated to e-commerce and training,
- local ambassadors, influencers, bloggers and all people who can create demand for products we distribute,
- plans for expo, sport/outdoor festivals where we have our own marketing stands,
- local social media channels.

FINANCIAL BALANCE/POSSIBILITIES:

Rondo company established in 1997 is financially safe and independent company with its own assets and transparent history. We are a partner of program RZETALNA FIRMA which incorporates reliable and solvent companies and pay its invoices with no delays. Our transparency ensures safe and solid cooperation.
